Spanish III

Course description

Spanish III course furthers the study of grammar, vocabulary and cultures of Spanish speaking countries. Students improve listening, speaking, reading and writing skills. Students further develop reading comprehension skills through different types of text, oral presentations and written exercises.

Course beliefs

- All students can learn and experience success in a world language.
- Second language acquisition provides the vision and skills necessary to be a global citizen.
- A primary goal of world language education is real-life communication.
- World language education develops critical thinking skills.
- Assessment must reflect the goals and learning targets set forth in this curriculum document.
- World languages must be part of the core curriculum in 21st Century schools.
- Students will read authentic texts, mainly of an expository nature, and apply various reading comprehension strategies.

What should students know about the class?

- The course is taught entirely in Spanish.
- Tests are not multiple-choice, they are open-ended and will contain listening portions.
- Students are expected to speak Spanish in class 100% of the time.
- There are end-of-the-unit speaking tests that are worth 40% of your grade.
- There is a test every week. Each test includes grammar, vocabulary, a listening activity, etc.
- You are expected to know the difference between the preterit and imperfect tenses when you enter in SP III.
- You are expected to be able to speak and form coherent sentences.
- The classes move at a more rapid pace than in middle school. You WILL need to study every day.
- The class is difficult. Be on task in class and review your notes every day.
- Use the World Language Help Desk if you feel like you are falling behind or you feel lost.
- You will learn A LOT of new verb tenses and grammar concepts in Spanish 3.
- Teachers will use different online teaching platforms that focuses on interactivity and collaboration between teachers and students.
